   a. Treasurer Report: We currently have $18,048.23 in our account.
   b. Banquet Director: There was nothing for the banquet yet.
   c. Tournament Director: The hotdog tournament is still scheduled for August 5th, and everything is ready. Steve has a crew ready to prep the courts and people to assist with checking players in, decorating the tables, and cooking.
   d. Scheduling & Standing Director: Jim is working to get ready for the winter schedule with team sideline. Also, he asked Bob if he could get Bylaw's in word format from Ann so that he could make appropriate changes.
   e. Al Sacco Director: Al Sacco is doing well. Because we have 10 teams playing on Tuesday PM, 2 teams are playing on Thursday PM. Any other teams that want to either do a makeup game or practice need to contact Sharon to reserve a court. Al Sacco did put a team together for Tuesday PM. Sharon is collecting the monies for Al Sacco players to become members and providing the information to Priscilla.
   f. Maintenance and Supply Director: The courts are looking very good. Teams need to make sure that they water heavily after raking and brooming before they roll

the courts. The Board asked Marvin to list what needs to be done to fix or replace items for the outdoor courts. Also prioritize the items along with the estimated cost for each item. Some of the items suggested was new chairs, paint sheds and pergola, new roof covering, and new benches to start with.

g. League Director: Priscilla wanted to only charge new members for half a season if they joined late for that season and the Board agreed. Currently we have 145 members listed with the Fairfield Bocce Federation. Priscilla also pointed out that Both Vincent and Frank are not in good standing with their requirements as members of the Board.

6. Any old business to discuss: There was not any old business to discuss at this time.

7. Any new business to discuss: Jim brought up the possibility to change our Board meeting to either a later time or a different day. As it stands, our board meeting is always on the same day as the ARC luncheon. It will be discussed at a later time because members had appointments to go to.

8. With nothing else to discuss, a motion was presented to adjourn. It was seconded and approved. We adjourned at 2:16pm
